

COMMUNITY NOTICE

A NEW ARBOUR FOR THIS YEAR'S TRADITIONAL POWWOW

Kanehsatà:ke, August 27, 2026 - The Traditional Powwow Committee is pleased to announce that this year's Powwow, held on August 29th and 30th, will take place under a brand new, permanent arbour.

This new community structure, currently under construction on the new Powwow grounds at 666 Ste.-Philomene (grounds used as a parking lot in previous years), will be fully wired with electricity. This project was made possible thanks to a generous anonymous donation from a non-profit organization, which allowed the Committee to select and hire *McComber Homes* to build the arbour just in time for the 2026 Powwow.

The new arbour will provide a dedicated space for future community gatherings, celebrations and events, that will remain drug and alcohol-free at all times to ensure a respectful and safe environment for all.

In the coming days, the Committee will be recognizing and thanking all of the generous contributors, partners and supporters who have helped make this year's Powwow possible.

To conclude, the Committee wants to take the opportunity to extend a warm, open invitation to the community and to anyone who wishes to attend. The Kanehsatà:ke Traditional Powwow is a celebration of our culture, traditions and community, and everyone is welcome.

Niá:wen and we hope to see you there,

The Kanehsatà:ke Traditional Powwow Committee
